PRODUCT CATALOGUE

SECTION ONE

GYM EQUIPMENT

Commercial cardio, selectorized and plate-loaded strength, benches, free weights and functional accessories - specified for clubs, studios, hotels and residential fitness spaces.

- Cardio: treadmills, bikes, climbers
- Plate-loaded & functional trainers
- Free weights, racks & flooring
- Selectorized strength stations
- K-Series commercial benches
- Rubber flooring & storage systems

ONE PLATFORM. INFINITE POSSIBILITIES.

COMMERCIAL TREADMILLS

7H-88

EliteTouch Treadmill

Flagship treadmill with HD touch console, programme modes and powerful commercial drive.

SPECIALITIES

HD touch console | 25 programmes | Powerful commercial drive

MOTOR	4.0 HP; 8.0 HP peak
SPEED	1-20 km/h
RUNNING AREA	1520 × 525 mm

7H-90

Monster Treadmill

Wide-deck commercial treadmill designed for busy fitness clubs and premium facilities.

SPECIALITIES

Wide 600 mm deck | Dual console | Heavy-duty frame

MOTOR	3.0 HP
SPEED	1-20 km/h
RUNNING AREA	1500 × 600 mm

7H-92

Heavy-Duty Treadmill

Robust treadmill engineered for continuous, high-traffic commercial operation.

SPECIALITIES

High-traffic build | Automatic incline | Club-ready deck

MOTOR	3.0 HP
INCLINE	0-15 degrees
MAX SPEED	20 km/h

SB

AC Club Treadmill

High-torque AC treadmill with auto incline and reversible cushioning deck.

SPECIALITIES

4.0 HP AC drive | Auto incline | Reversible cushioning

MOTOR	4.0 HP AC
SPEED	1-22 km/h
MAX USER	220 kg

TREADMILLS & CURVED

SB

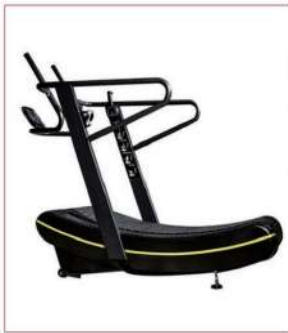

Wide-Deck Runner

Commercial performance treadmill with a wide deck and automatic incline.

SPECIALITIES

Commercial drive | Cushioned deck | Club-ready frame

MOTOR	4.0 HP AC
SPEED	Up to 20 km/h
DECK	63 × 24 in

7H

Curved Treadmill

Self-powered curved treadmill for sprinting, HIIT and athletic conditioning.

SPECIALITIES

Self-powered motion | Sprint-ready belt | Low maintenance

POWER	Self-powered
DISPLAY	LED
USER WEIGHT	Up to 180 kg

SB

Magnetic Curved Treadmill

Aluminium-framed curved treadmill with adjustable magnetic resistance.

SPECIALITIES

Self-powered motion | Sprint-ready belt | Low maintenance

RESISTANCE	Magnetic
DISPLAY	LCD
BELT	59 × 18 in

PRO

Incline Trainer

Commercial high-incline treadmill built for steep walking, climbing and intensive lower-body conditioning.

SPECIALITIES

Steep climbing range | Automatic incline | Lower-body focus

DRIVE	Commercial AC
INCLINE	High-range automatic
USE	Club / studio

CROSS TRAINERS, ROWER & BIKE

7H-78

Commercial Cross Trainer

Smooth, low-impact elliptical trainer for total-body cardiovascular exercise.

SPECIALITIES

Low-impact stride | Total-body motion | Smooth resistance

DIMENSIONS	2130 × 735 × 895 mm
MAX USER	180 kg
USE	Commercial

SB

EMS Cross Trainer

Self-powered elliptical with EMS generation and a wide resistance range.

SPECIALITIES

Low-impact stride | Total-body motion | Smooth resistance

RESISTANCE	32 levels
FLYWHEEL	20 kg
DISPLAY	Multifunction LCD

SB-C1086

Air Rower

Air-resistance rower for full-body conditioning, endurance and power development.

SPECIALITIES

Full-body cardio | Air resistance | Smooth rail action

PROGRAMMES	8
DISPLAY	LCD
MAX USER	130 kg

CARDIO

Recumbent Bike

Supportive seated cycle offering comfortable, low-impact cardio training.

SPECIALITIES

Back-supported seat | Low-impact cardio | Easy access

RESISTANCE	Adjustable
SEAT	Ergonomic back support
USE	Commercial

SPIN & EXERCISE BIKES

SYT-ZF7500-A

Compact Studio Cycle

Compact commercial spin bike optimized for group-cycling studios.

SPECIALITIES

Smooth flywheel | Adjustable fit | Studio-ready build

DIMENSIONS	1130 × 640 × 1180 mm
WEIGHT	52 kg net
DRIVE	Studio cycling

SYT-ZF7500

Heavy-Flywheel Cycle

Indoor cycle with a heavy flywheel for a smooth, road-like riding feel.

SPECIALITIES

Smooth flywheel | Adjustable fit | Studio-ready build

DIMENSIONS	1130 × 600 × 1280 mm
WEIGHT	51 kg net
USE	Commercial

SB

Studio Spin Bike

High-strength indoor bike with heavy flywheel and multifunction display.

SPECIALITIES

Smooth flywheel | Adjustable fit | Studio-ready build

FLYWHEEL	24 kg
FRAME	High-strength steel
DISPLAY	LCD

SB

Belt-Drive Bike

Smooth upright exercise bike with multiple resistance levels and LED console.

SPECIALITIES

Quiet belt drive | Multi-level resistance | Compact footprint

RESISTANCE	20 levels
DRIVE	Belt
MAX USER	150 kg

BIKES & CLIMBERS

SB

Manual Exercise Bike

Reliable upright exercise bike with simple manual resistance control.

SPECIALITIES

Simple controls | Adjustable resistance | Reliable daily use

RESISTANCE	10 levels
DISPLAY	Speed / time / distance
MAX USER	150 kg

7H-108

Stair Climber

Revolving commercial stair climber with step-lock safety sensor.

SPECIALITIES

Intensive climbing | Stable handrails | Cardio conditioning

SPEED	Up to 120 steps/min
STEP AREA	10 × 22 in
MAX LOAD	200 kg

SB

Stair Stepper

Vertical stepper with sealed bearings, strong crank and training programmes.

SPECIALITIES

Intensive climbing | Stable handrails | Cardio conditioning

PROGRAMMES	8
DISPLAY	LED
MAX USER	150 kg

PRO

Commercial StepMill

Continuous rotating-stair machine with deep steps for high-intensity climbing workouts.

SPECIALITIES

Intensive climbing | Stable handrails | Cardio conditioning

SPEED	Adjustable
CONSOLE	Digital
USE	High-traffic clubs

FUNCTIONAL TRAINING

SB-C1081

Ski Rower

Vertical-pull cardio trainer for total-body conditioning, endurance and power.

SPECIALITIES

Full-body cardio | 10 resistance levels | Compact footprint

RESISTANCE	10 levels manual
FLOOR SIZE	52 x 24 x 85 in
MAX USER	150 kg

UPL 57

Dual Smith Machine

Dual-sided guided-bar strength station for controlled lifting and commercial training.

SPECIALITIES

Guided lifting path | Dual workout stations | Heavy-duty frame

TYPE	Plate loaded
FRAME	Heavy-duty steel
USE	Commercial

UPL 58

Deadlift Platform

Dedicated lifting platform for deadlifts, Olympic lifts and impact protection.

SPECIALITIES

Timber centre deck | Rubber impact zones | Stable lifting surface

SURFACE	Wood and rubber
TRAINING	Deadlift / Olympic
USE	Commercial

UPL 07

Heavy-Duty 8 ft Dumbbell Stand

Heavy-duty two-tier rack for organised commercial dumbbell storage.

SPECIALITIES

Two-tier storage | 8 ft rack | Heavy-duty frame

LENGTH	8 ft
RACKS	2 tiers
USE	Commercial

SHOULDER & CHEST

HM06

Selectorized Shoulder Press

Guided overhead press that trains deltoids and triceps with stable support.

SPECIALITIES

Natural press path | Stable support | Shoulder-focused training

STACK	80 kg
WEIGHT	175 / 200 kg
DIMENSIONS	1450 × 1300 × 1550 mm

HM07

Rear Delt / Pec Fly

Dual-purpose station for rear-deltoid and chest fly movements.

SPECIALITIES

Chest-focused motion | Ergonomic seating | Stable press path

STACK	80 kg
WEIGHT	190 / 205 kg
DIMENSIONS	1200 × 800 × 1900 mm

HM08

Seated Chest Press

Ergonomic selectorized press for controlled pectoral development.

SPECIALITIES

Chest-focused motion | Ergonomic seating | Stable press path

STACK	80 kg
WEIGHT	180 / 210 kg
DIMENSIONS	1650 × 900 × 1550 mm

HM82

Adjustable Chest Press

Versatile press offering incline, flat and decline pressing positions.

SPECIALITIES

Chest-focused motion | Ergonomic seating | Stable press path

STACK	80 kg
WEIGHT	190 / 220 kg
DIMENSIONS	1950 × 1250 × 1550 mm

BACK, LATS & PULL-DOWN

HM09

Pull-Up Assistance

Counterbalanced assisted pull-up station suitable for varied fitness levels.

SPECIALITIES

Counterbalanced support | Progressive training | Stable platform

STACK	100 kg
WEIGHT	250 / 280 kg
DIMENSIONS	1150 × 1200 × 2200 mm

HM10

Classic Lat Pull-Down

Classic selectorized pull-down for developing a strong, wide back.

SPECIALITIES

Back-focused path | Ergonomic support | Smooth resistance

STACK	80 kg
WEIGHT	190 / 220 kg
DIMENSIONS	1600 × 1300 × 1720 mm

HM35

High-Capacity Lat Station

High-capacity lat station with smooth movement and commercial construction.

SPECIALITIES

Back-focused path | Ergonomic support | Smooth resistance

STACK	100 kg
WEIGHT	180 / 205 kg
DIMENSIONS	1400 × 800 × 2200 mm

HM81

Lat Pulldown / Low Row

Two-in-one back station combining pulldown and seated low-row exercises.

SPECIALITIES

Back-focused path | Ergonomic support | Smooth resistance

STACK	100 kg
WEIGHT	190 / 220 kg
DIMENSIONS	1900 × 800 × 2200 mm

ROWS, ARMS & FUNCTIONAL

HM34

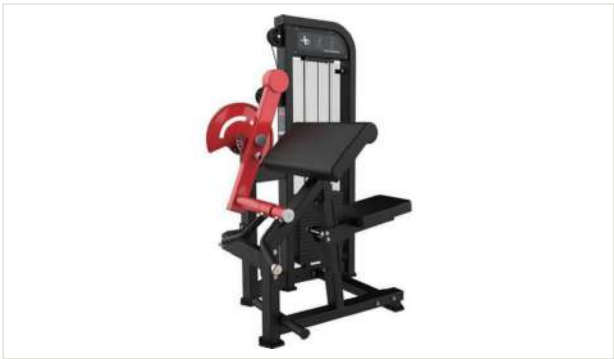

Seated Row

Supported selectorized row for mid-back strength and improved posture.

SPECIALITIES

Back-focused path | Ergonomic support | Smooth resistance

STACK	80 kg
WEIGHT	185 / 215 kg
DIMENSIONS	1350 × 900 × 1850 mm

HM30

Arm Extension

Dedicated selectorized station for isolated triceps training.

SPECIALITIES

Triceps isolation | Controlled movement | Adjustable resistance

STACK	80 kg
WEIGHT	175 / 210 kg
DIMENSIONS	1100 × 1000 × 1550 mm

HM17

Functional Trainer

Dual-stack cable system for functional, rotational and isolation exercises.

SPECIALITIES

Versatile cable paths | Full-body training | Dual-workout options

STACK	2 × 80 kg
WEIGHT	312 / 345 kg
HEIGHT	2250 mm

HM56

45° Leg Press

Plate-loaded leg press designed for heavy lower-body strength work.

SPECIALITIES

Heavy lower-body loading | Stable platform | Guided motion

TYPE	Plate loaded
WEIGHT	174 kg net
DIMENSIONS	2274 × 1293 × 1558 mm

LEGS & CORE

HM66B

V-Squat Rack

Guided V-squat machine for deep, controlled and stable squat patterns.

SPECIALITIES

Heavy lower-body loading | Stable platform | Guided motion

TYPE	Plate loaded
WEIGHT	190 kg net
DIMENSIONS	2460 × 1470 × 1835 mm

HM84C

Leg Curl & Extension

Combined station for quadriceps extension and hamstring curl exercises.

SPECIALITIES

Two exercises in one | Smooth adjustment | Quad and hamstring focus

STACK	80 kg
WEIGHT	195 / 220 kg
DIMENSIONS	1350 × 1000 × 1550 mm

HM83

Hip Abduction / Adduction

Dual-function hip station for controlled inner- and outer-thigh training.

SPECIALITIES

Dual inner/outer thigh use | Easy changeover | Smooth motion

STACK	80 kg
WEIGHT	190 / 220 kg
DIMENSIONS	1500 × 700 × 1550 mm

HM70

Abdominal / Oblique Crunch

Core machine designed for abdominal and oblique conditioning.

SPECIALITIES

Core-focused movement | Supported posture | Controlled resistance

TYPE	Plate loaded
WEIGHT	112 kg net
DIMENSIONS	2055 × 1154 × 1611 mm

K-SERIES BENCHES

K109

Stand & Push Chest

Multi-purpose free-weight bench and stand for pressing exercises.

SPECIALITIES

Commercial steel frame | Stable support | Ergonomic positioning

WEIGHT	105 / 140 kg
DIMENSIONS	1200 × 1430 × 1700 mm
USE	Commercial

K171

Seated Shoulder Press

Stable seated bench for overhead barbell and dumbbell pressing.

SPECIALITIES

Natural press path | Stable support | Shoulder-focused training

WEIGHT	88 / 120 kg
DIMENSIONS	1300 × 1420 × 2000 mm
USE	Commercial

K172

Scissor Shoulder Press

Scissor-lever press designed to follow a natural shoulder movement arc.

SPECIALITIES

Natural press path | Stable support | Shoulder-focused training

WEIGHT	108 / 135 kg
DIMENSIONS	1220 × 1560 × 1300 mm
USE	Plate loaded

K186

Stretch & Bend Leg

Commercial lower-body bench for stretching and controlled leg work.

SPECIALITIES

Commercial steel frame | Stable support | Ergonomic positioning

WEIGHT	93 / 120 kg
DIMENSIONS	1300 × 1330 × 1200 mm
USE	Commercial

FREE WEIGHTS & FLOORING

K164

Upslope Bird Bench

Inclined bench designed for rear-deltoid and upper-back training.

SPECIALITIES

Commercial steel frame | Stable support | Ergonomic positioning

WEIGHT	60 / 80 kg
DIMENSIONS	1550 × 1120 × 770 mm
USE	Commercial

FLOORING

Rubber Flooring

High-density shock-absorbing tiles that protect floors, joints and equipment.

SPECIALITIES

Shock absorption | Slip resistance | Floor protection

THICKNESS	10 / 15 / 20 mm
SURFACE	Slip resistant
USE	Free-weight areas

FREE WEIGHTS

Olympic Rods

Chrome-finish Olympic bars engineered for secure, heavy loading.

SPECIALITIES

Chrome finish | Heavy-load ready | Secure Olympic fit

LENGTHS	3 / 4 / 5 / 6 / 7 ft
FINISH	Chrome
USE	Commercial

FREE WEIGHTS

Olympic Plates

Cast-iron Olympic plates with machined centre holes and easy-grip form.

SPECIALITIES

Easy-grip design | Progressive weights | Commercial durability

RANGE	2.5?25 kg
FIT	Olympic bars
USE	Commercial

FUNCTIONAL TRAINING ACCESSORIES

FREE WEIGHTS

Kettlebell Set

Cast-iron kettlebells for swings, carries, presses and full-body functional training.

SPECIALITIES

Multi-weight set | Functional training | Durable cast iron

RANGE	Multiple weights
MATERIAL	Cast iron
USE	Commercial

FUNCTIONAL

Medicine Ball Set

Textured weighted balls for throws, core drills and athletic conditioning.

SPECIALITIES

Textured grip | Core and throw drills | Multiple weights

RANGE	Multiple weights
SURFACE	Textured rubber
USE	Functional training

STORAGE

Three-Tier Dumbbell Rack

Heavy-duty three-tier rack designed to store commercial dumbbell sets safely and neatly.

SPECIALITIES

Three-tier storage | Space efficient | Heavy-duty steel

CAPACITY	Full dumbbell set
FRAME	Commercial steel
USE	Gym storage

STORAGE

Olympic Plate Tree

Compact storage tree with multiple pegs for Olympic plates and integrated bar holders.

SPECIALITIES

Compact storage | Multiple pegs | Integrated bar holders

STORAGE	Olympic plates
FRAME	Commercial steel
USE	Free-weight areas

ADVANCED STRENGTH EQUIPMENT

PLATE LOADED

Independent Shoulder Press

Independent pressing arms support a strong and natural shoulder movement.

SPECIALITIES

Natural press path | Stable support | Shoulder-focused training

TYPE	Plate loaded
USE	Commercial
TARGET	Shoulders / triceps

FUNCTIONAL

Multi-Station Trainer

Versatile multi-station system for cable, pull-up and functional exercises.

SPECIALITIES

Versatile cable paths | Full-body training | Dual-workout options

TYPE	Multi station
USE	Commercial
TRAINING	Full body

CABLE

Cable Crossover Station

Wide dual-pulley station for chest, back, arm and rotational exercises.

SPECIALITIES

Versatile cable paths | Full-body training | Dual-workout options

TYPE	Adjustable cable
USE	Commercial
TRAINING	Full body

PLATE LOADED

Low Row

Supported low-row machine for controlled mid-back and lat development.

SPECIALITIES

Back-focused path | Ergonomic support | Smooth resistance

TYPE	Plate loaded
USE	Commercial
TARGET	Back / lats

SECTION TWO

PLAYGROUND EQUIPMENT

Children's playground systems for schools, societies, parks and resorts - FRP and galvanised slides, swings, see-saws, climbers, merry-go-rounds, multi-play systems and site amenities.

- FRP, G.I. & S.S. slides
- Swings, see-saws & spring riders
- Jungle gyms & climbing structures
- Merry-go-rounds & revolving platforms
- Multi-play & combination systems
- Benches, bins & park amenities

ONE PLATFORM. INFINITE POSSIBILITIES.

SLIDES

UPGE01 / 02 / 03

Fibre Wave Slide - 3 / 5 / 7 ft

Moulded FRP wave slide offered in three platform heights, with a rolling bed profile that keeps descent speed controlled at every size.

SPECIALITIES

Gentle wave profile | Three height options | UV-stable FRP

PLATFORM HEIGHT	3 / 5 / 7 ft
MATERIAL	FRP bed; G.I. frame
AGE GROUP	2-12 years

UPGE04 / 04A

Fibre Double Wave Slide with Dome - 5 / 7 ft

Twin-bed wave slide under a shading dome, available in two tower heights, letting two children slide side by side.

SPECIALITIES

Twin sliding beds | Shade dome canopy | Two height options

PLATFORM HEIGHT	5 / 7 ft
BEDS	2 nos. wave
CANOPY	FRP dome

UPGE05 / 06 / 07

Fibre Straight Slide - 3 / 5 / 7 ft

Straight-bed FRP slide in three heights, giving a smooth predictable descent with anti-skid ladder treads throughout the range.

SPECIALITIES

Seamless straight bed | Three height options | Anti-skid ladder

PLATFORM HEIGHT	3 / 5 / 7 ft
BED TYPE	Straight FRP
AGE GROUP	2-12 years

UPGE08 / 09

Fibre Spiral Slide - 5 / 7 ft

Helical FRP slide in two heights, adding a rotating descent path with high containment walls and a controlled exit speed.

SPECIALITIES

Helical descent path | High containment walls | Two height options

PLATFORM HEIGHT	5 / 7 ft
BED TYPE	Spiral FRP
AGE GROUP	4-12 years

SEE-SAWS & SPRING RIDERS

UPGE24

Single See-Saw

Classic two-seat see-saw with a cushioned base stop and moulded handgrips at each end.

SPECIALITIES

Cushioned base stops | Moulded handgrips | Classic pivot action

SEATS	2 nos.
BEAMS	1 no.
AGE GROUP	3-10 years

UPGE25

Animal Design See-Saw

Themed animal-form see-saw with sculpted FRP seats that make the ride visually engaging.

SPECIALITIES

Sculpted animal seats | Themed FRP forms | Secure grab bars

SEATS	4 nos.
SEAT TYPE	FRP animal
AGE GROUP	3-8 years

UPGE26

Rocking Boat

Four-seat rocking boat with facing bench seats and an enclosing rail for co-operative rocking play.

SPECIALITIES

Facing bench seats | Enclosing safety rail | Co-operative play

SEATS	4 nos.
ACTION	Rocking arc
AGE GROUP	3-10 years

UPGE27

Spring Duck Rider

Duck-form spring rider in bright moulded FRP, offering a soft rocking motion for toddlers.

SPECIALITIES

Soft rocking motion | Bright FRP body | Toddler-scaled seat

SEATS	1 no.
SPRING	Heavy-duty coil
AGE GROUP	2-6 years

SWINGS

UPGE28

Wave Slide & Double Swing

Combination unit pairing a wave slide with a two-bay swing frame in a single garden footprint.

SPECIALITIES

Slide plus two swings | Single combined frame | Space efficient

SWING BAYS	2 nos.
SLIDE	Wave FRP
AGE GROUP	3-12 years

UPGE29

Single Swing

Single-bay swing on an A-frame with a moulded seat suspended on galvanised chain.

SPECIALITIES

Galvanised chain hangers | Moulded safety seat | Stable A-frame

SEATS	1 no.
FRAME	A-frame pipe
HANGERS	G.I. chain

UPGE30

Double Swing "A" Type

Two-seat A-type swing with a top rail on braced legs, sized for shared use in parks.

SPECIALITIES

Braced A-type legs | Two-seat top rail | Park-grade build

SEATS	2 nos.
FRAME	A-type pipe
HANGERS	G.I. chain

UPGE31

Double Clown Swing

Themed clown-panel swing with two seats and decorative end panels that brighten the play area.

SPECIALITIES

Themed end panels | Two swing seats | Decorative finish

SEATS	2 nos.
THEME	Clown panels
AGE GROUP	3-10 years

COMBINATION PLAY SETS

UPGE36

Combination Set - 3 ft

Toddler-scale combination unit with a low slide, swing bay and climbing steps in one structure.

SPECIALITIES

Slide, swing and climb | Toddler-scale heights | One-piece layout

HEIGHT	3 ft
ACTIVITIES	3 nos.
AGE GROUP	2-6 years

UPGE37

Circular Swing

Rotating circular swing with facing seats that turn about a central hub for group riding.

SPECIALITIES

Rotating central hub | Facing group seats | Continuous motion

SEATS	4 nos.
ACTION	Rotary swing
AGE GROUP	5-12 years

UPGE38

Children Set - 3 ft

Low-height children's set combining swing bays with a fibre slide for early-years play zones.

SPECIALITIES

Swing bays plus slide | Low safe heights | Early-years design

HEIGHT	3 ft
ACTIVITIES	2 nos.
AGE GROUP	2-7 years

UPGE70

Balancing Bridge

Suspended plank bridge between two portal frames, developing dynamic balance and nerve.

SPECIALITIES

Suspended plank deck | Dynamic balance training | Portal end frames

TYPE	Suspension bridge
MATERIAL	M.S. pipe / timber
AGE GROUP	5-12 years

COMBINATION PLAY SETS / CLIMBERS & JUNGLE GYMS

UPGE71

Children Set (Fibre Slide)

Compact children's set pairing a fibre slide with swing seats on a single welded frame.

SPECIALITIES

Fibre slide plus swings | Single welded frame | Compact garden fit

ACTIVITIES	2 nos.
SLIDE	FRP bed
AGE GROUP	3-10 years

UPGE39

Square Jungle Gym (5' x 5' x 6')

Square multi-level climbing lattice that builds grip strength, coordination and spatial confidence.

SPECIALITIES

Multi-level lattice | Grip and coordination | Multi-child capacity

SIZE	5' x 5' x 6'
MATERIAL	M.S. pipe
AGE GROUP	5-12 years

UPGE40

Round Jungle Gym

Cylindrical climbing frame with concentric rings and vertical bars for all-round climbing access.

SPECIALITIES

Concentric ring bars | 360-degree access | Robust pipe build

FORM	Cylindrical
MATERIAL	M.S. pipe
AGE GROUP	5-12 years

UPGE41

Moon Climber

Dome-profile climber with a curved lattice that encourages varied climbing routes and problem solving.

SPECIALITIES

Curved dome lattice | Multiple climb routes | Problem-solving play

FORM	Dome
MATERIAL	M.S. pipe
AGE GROUP	5-12 years

CLIMBERS & JUNGLE GYMS

UPGE42

ABC Climber

Alphabet-shaped climbing frame that combines physical activity with early letter recognition.

SPECIALITIES

Alphabet-form frames | Learning through play | Colour-coded letters

FORM	Letter shapes
MATERIAL	M.S. pipe
AGE GROUP	3-10 years

UPGE43

Criss Cross

Intersecting-frame climber with crossing bars that create tunnels, ladders and traverse routes.

SPECIALITIES

Crossing bar frames | Tunnel and traverse | Multi-route climbing

FORM	Criss-cross
MATERIAL	M.S. pipe
AGE GROUP	5-12 years

UPGE44

Rainbow Jungle Gym

Long arched jungle gym with repeating rainbow hoops and horizontal traverse rungs.

SPECIALITIES

Repeating arch hoops | Traverse rungs | Extended play length

FORM	Arched tunnel
MATERIAL	M.S. pipe
AGE GROUP	5-12 years

UPGE45

Sea Monster

Undulating wave-form climber with looping rails that children climb over, under and through.

SPECIALITIES

Undulating wave rails | Over-under-through play | Themed form

FORM	Wave loops
MATERIAL	M.S. pipe
AGE GROUP	4-10 years

BARS, RINGS & BALANCE

UPGE53

Balancing Beam 16" long 3" x 1.5"

Segmented balance beam at varied heights, training stability, gait control and confidence.

SPECIALITIES

Varied beam heights | Balance and gait training | Anti-skid top

LENGTH	16" long
SECTION	3" x 1.5"
AGE GROUP	4-12 years

UPGE54

Horizontal Ladder & Bar

Overhead monkey ladder with an integrated horizontal bar for upper-body and grip development.

SPECIALITIES

Overhead monkey rungs | Integrated pull-up bar | Upper-body training

TYPE	Ladder + bar
MATERIAL	M.S. pipe
AGE GROUP	6-14 years

UPGE59

Loop Ring

Suspended ring set on a portal frame for swinging, hanging and traversing hand over hand.

SPECIALITIES

Suspended ring set | Hand-over-hand travel | Portal frame mount

TYPE	Hanging rings
MATERIAL	M.S. pipe
AGE GROUP	6-14 years

UPGE60

Double Bar

Twin parallel bars at differing heights for dips, swings, vaults and supported gymnastic work.

SPECIALITIES

Twin parallel bars | Dual height settings | Gymnastic training

BARS	2 nos.
MATERIAL	M.S. pipe
AGE GROUP	8+ years

BARS, RINGS & BALANCE / BENCHES & SEATING

UPGE61

Horizontal Bar

Free-standing horizontal bar on grouted uprights for pull-ups, hangs and swinging exercises.

SPECIALITIES

Grouted steel uprights | Pull-up and hang | Outdoor durable

BARS	1-3 heights
MATERIAL	M.S. pipe
AGE GROUP	8+ years

UPGE62

G.I. Park Bench

Galvanised park bench with slatted seat and back on a welded frame, finished for outdoor exposure.

SPECIALITIES

Slatted seat and back | Welded G.I. frame | Weatherproof finish

SEATING	3 persons
MATERIAL	G.I. / M.S.
USE	Parks / gardens

UPGE63

Wooden Park Bench

Hardwood-slat bench on a powder-coated steel understructure, combining comfort with durability.

SPECIALITIES

Hardwood slat seat | Powder-coated frame | Comfortable recline

SEATING	3 persons
SLATS	Treated hardwood
FRAME	M.S. powder coated

UPGE64

Fibre Bench with Handle

Moulded FRP bench with integrated armrests and a smooth seamless shell that resists weathering.

SPECIALITIES

Integrated armrests | Seamless FRP shell | Weather resistant

SEATING	3 persons
MATERIAL	Moulded FRP
FEATURE	Armrests

BENCHES & SEATING / LITTER BINS

UPGE65

Fibre Bench

Plain moulded FRP garden bench with a wide seat and supportive back, easy to clean and relocate.

SPECIALITIES

Wide moulded seat | Easy to clean | Light and relocatable

SEATING	3 persons
MATERIAL	Moulded FRP
USE	Gardens / parks

UPGE66

Fibre Dustbin (Rabbit)

Rabbit-form FRP litter bin that makes waste disposal appealing to children in play areas.

SPECIALITIES

Rabbit character form | Child-friendly opening | Removable liner

FORM	Rabbit
MATERIAL	Moulded FRP
USE	Play areas

UPGE67

Fibre Dustbin (Squirrel)

Squirrel-themed FRP bin with a hinged hat lid and a bright, hard-wearing gel-coat finish.

SPECIALITIES

Squirrel character form | Hinged lid opening | Gel-coat finish

FORM	Squirrel
MATERIAL	Moulded FRP
USE	Play areas

UPGE68

Tilting P.V.C. Dustbin

Tilting PVC bin held in a steel cradle, allowing quick one-motion emptying by ground staff.

SPECIALITIES

Tilt-out emptying | Steel cradle stand | Replaceable PVC bin

TYPE	Tilting bin
BODY	P.V.C.
STAND	M.S. cradle

MERRY-GO-ROUNDS & REVOLVING PLAY

UPGE73

Four Seater Merry Go Round (Horse & Duck)

Four-seat carousel with alternating horse and duck FRP figures on a smooth-turning hub.

SPECIALITIES

Horse and duck figures | Smooth-turning hub | Four rider stations

SEATS	4 nos.
FIGURES	FRP horse / duck
AGE GROUP	3-8 years

UPGE74

Four Seater Merry Go Round

Four-seat merry-go-round with contoured chair seats and grab rails on a sealed-bearing hub.

SPECIALITIES

Contoured chair seats | Grab rails fitted | Sealed bearing hub

SEATS	4 nos.
HUB	Sealed bearing
AGE GROUP	3-10 years

UPGE75 / 75A

Revolving Platform - Plain / With Sitting

Rotating platform with perimeter handles, supplied plain for standing rides or fitted with seats and rails for seated riding.

SPECIALITIES

Flat rotating deck | Plain or seated option | Perimeter grab handles

TYPE	Roundabout
OPTIONS	Plain / with seating
AGE GROUP	4-12 years

UPGE76

Six Seater Merry Go Round

Six-station carousel with individual bucket seats and footrests around a central spinner.

SPECIALITIES

Six bucket seats | Individual footrests | Central spinner hub

SEATS	6 nos.
HUB	Central spinner
AGE GROUP	3-10 years

MERRY-GO-ROUNDS & REVOLVING PLAY / MULTI-PLAY SYSTEMS & BRIDGES

UPGE77

Revolving Merry Go Round with Fibre (Horse & Duck)

Revolving unit with moulded FRP horse and duck mounts arranged around a low turning base.

SPECIALITIES

FRP animal mounts | Low turning base | Easy child access

SEATS	4 nos.
FIGURES	FRP horse / duck
AGE GROUP	2-8 years

UPGE78

Giant Bridge

Large linked play structure with twin towers, a connecting bridge deck and dual slide exits.

SPECIALITIES

Twin linked towers | Connecting bridge deck | Dual slide exits

TOWERS	2 nos.
SLIDES	2 nos.
AGE GROUP	5-12 years

UPGE79

Atom Swing with Slide

Combined atom-frame swing and long slide run, giving two high-appeal activities in one unit.

SPECIALITIES

Atom frame swing | Long slide run | Two activities combined

ACTIVITIES	2 nos.
MATERIAL	M.S. pipe / FRP
AGE GROUP	5-12 years

UPGE80

Apollo All in One

Flagship multi-activity system combining slides, climbers, bridges and decks in one layout.

SPECIALITIES

Multiple linked activities | Bridged deck levels | Flagship footprint

ACTIVITIES	6+ nos.
DECKS	Multi level
AGE GROUP	4-12 years

MULTI-PLAY SYSTEMS & BRIDGES

UPGE81

Multi Play System-2

Tower-based multi-play unit with spiral slide, climbing ladders and a canopied upper deck.

SPECIALITIES

Spiral slide exit | Climb ladder access | Canopied upper deck

ACTIVITIES	4+ nos.
SLIDE	Spiral FRP
AGE GROUP	4-12 years

UPGE82

Giganta
